

Dear : Parents

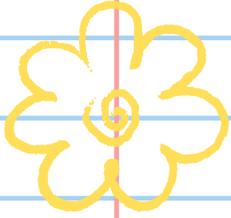

As we continue to foster a love for reading while school is not in session, I am excited to introduce a fun engaging summer reading project. This summer, your child is invited to take part in our "Hopping Into Summer with Frog and Toad" reading adventure! The beloved "Frog and Toad" books by Arnold Lobel are perfect for young readers and full of important lessons about friendship, kindness and perseverance.

Warmly,  
First Grade  
Teachers  
FCS

Here's what to do:

1. Read 4 Frog and Toad stories over the summer.
2. After each story, help your child complete one page in the attached Character Journal.
3. Bring the journal back to school in August to celebrate the child's reading success!

Have fun reading and exploring with Frog and Toad! Have a wonderful summer!

Warmly,  
First Grade
