Tax ID: 47-2564844

Dear Sponsor / Donor,

FCS Youth Sports Program is a sports mentoring and life building program. We are looking for organizations and companies that share our values and have a heart for the development, growth, and education of young people. We invite you to join us in our mission to engage the world for Christ through sports and mentoring.

As a Sponsor/donor you will be part of a local campaign where companies and organizations like yours attain recognition for your commitment and support. Our program currently operates solely on the registration fees paid by families, proceeds from program fundraisers, and generous donations from individuals and businesses. Our goal is to offer our services to families at no cost. Our families currently pay \$60.00 per person, and we offer a limited number of scholarships.

The FCS Youth Sports sponsorship/donation initiative is designed to provide supporters and donors with an opportunity to market their products and/or services to over two hundred athletes and approximately four hundred family members who participate and/or attend our events every weekend from December - May. Your pledges will not only provide needed equipment and supplies, but it also allows us to offer additional scholarships to families who cannot otherwise afford for their child to participate.

We are committed to providing life building resources and opportunities to our youth. We have dedicated volunteers that coach our teams, serve on the league's staff, provide mentoring, sports training, and lending a hand wherever needed. **Our goal in this endeavor is to raise \$15,000 annually. Programs like FCS Youth Sports have been proven to have life-changing effects on the lives of young people.** We anticipate and look forward to a partnership with you and your company/organization. With your support we can enrich the lives of children, strengthen our community, and ensure a brighter future for all.

Respectfully yours,

Westly B. Jones

Program Director
